TOY DONATION IDEAS

Publishing a list of appropriate toys to donate would result in a limited selection of items to distribute in our community. We kindly request our donors consider what might be an appropriate gift for their own child/relative. Here are some categories to consider:

- Stuffed animals and plush toys
- Dolls and action figures
- Building toys, LEGOs, building blocks, and other construction toys
- Puzzles and board games
- Books and educational toys
- Arts and crafts supplies
- Sports equipment: Balls, jump ropes, and frisbees
- Sensory toys: Items like fidget toys, stress balls, or musical instruments

Some find the pre-teen/teen age group particularly difficult to shop for. Here are some general ideas:

- Sporting equipment
- Books
- Backpacks
- Cosmetics
- Purses
- Watch/wallet gift sets
- Bath gift sets
- Board games
- Video games
- Radio control cars/trucks
- Hand-held electronics
- Skateboards
- Bicycles,
- Curling irons, hair straighteners, and hair dryers.
